

Main Street Eufaula, Inc.  
*A little of our history and mission.....*

Main Street Eufaula, Inc. was formed in 2001 as a 501c3 non-profit revitalization group. We are a member of the National Main Street Program through the National Trust for Historic Preservation. Since our inception, the following are just a few of our accomplishments:

- The year we were created, downtown storefronts were 60% occupied. Today our downtown is approximately 90% occupied.
- Our organization has initiated over \$110,000 in downtown improvements with our façade grant program with Main Street's total investment being over \$22,000.
- In 8 years Main Street has held over 120 promotions in our downtown area compared to 0.
- Over 30 volunteers from all over the community ensures community pride.
- Keep our downtown merchants involved and informed. We have a quarterly merchants meeting and detailed information mailed to get their input to what they would like to see happen in our downtown and prosper their business.

All proceeds from this event and future events will go toward improvements for all areas of our historic downtown.

*If you are unable or not available to take part in our Trail Run please take advantage of our "Virtual Runner" so that your tax deductible donation will help us maintain our Southern Charm!*
